РІЧНИЙ ПЛАН РОБОТИ ПРОБЛЕМНОЇ ГРУПИ
Lexicology
на 2025-2026 навчальний рік

Науковий керівник: Смольнікова Олена Геннадіївна, кандидат педагогічних наук, доцент

Мета діяльності проблемної групи:

This group will explore the theory and practice of English lexicology, focusing on the systemic nature of the vocabulary, word-formation, and semantic changes in the modern English language. Theoretical studies shall be complemented by regular applied practice where students have the opportunity to analyze, from both synchronic and diachronic perspectives, textual documents representing different registers and functional styles, and also neologisms which emerge within the domains of media, computer technology, and everyday communication.

Завдання проблемної групи:

This group is aimed to:

1. Provide students with a thorough training in lexicological analysis and word-formation patterns;
2. Develop students' awareness of the close relationship between vocabulary development and socio-cultural shifts.

Similarly, by the end of the group work students will be able to:

1. Demonstrate an understanding of lexicology as a fundamental linguistic discipline with its own methods and terminology;
2. Use the vocabulary stratification and semantic analysis procedures to interpret modern texts;
3. Share the results of their research at the student conference or scientific publications..
